May/June 2023

Late in April we sang one of my favorite hymns, a Charles Wesley classic--

And can it be that I should gain
An int'rest in the Savior's blood?
Died He for me, who caused His pain?
For me, who Him to death pursued?

Think about these words - why would Jesus do this for me? How many people doubt that they are worthy? They may be people like John & Charles Wesley, men and women raised by parents who made sure they knew about God and all that God has done through Jesus. Knowing the Bible, knowing the story, even serving others in God's name, but not realizing that God loves them *personally*. That God want to be in a relationship with then *personally*!

This hymn is Charles' description of his awakening, his story of what it meant to him to realize that God loves his personally and that his salvation was made possible by what God has done through Jesus Christ, instead of thinking that salvation was something he had to earn or be worthy of!

No condemnation now I dread;
Jesus, and all in him, is mine;
alive in him, my living Head,
and clothed in righteousness divine,
bold I approach th' eternal throne,
and claim the crown, through Christ my own.

What the Wesley's came to realize is this: when we are in a relationship with God who love us, God's love poured into our hearts send us out into the world to share that love with others as we serve and as we share our experience.

What is YOUR story? When have you been touched by God in a special way, a time when you knew, just knew, that God is real and that GOD LOVES YOU?

This is the story you can share because it is your story. Not all of us are poets like Charles Wesley, but in our own words, in our own way, we should always be ready to tell our story.
