## From the Pastor's Desk

January has crept past – somehow, it felt like a very long month to me! For now, we will continue to live stream the worship service. We talked about this at the Administrative Council meeting in January and, the consensus of the group is to follow the County positivity ratings. Our Bishop and Cabinet will be providing more guidelines in the coming week, but, for now, tune in to our Facebook page at 9:30 AM on Sunday or, later in the day, look for the video at our website.

Be sure to check out our new website: [trinityumofrs.org](http://trinityumofrs.org).

We will be entering the season of Lent this month. It is a special season, a time to reflect on our faith, on the journey of Jesus to the Cross, to ponder how we respond to such an act of humble obedience on his part. We are preparing our hearts to celebrate, once again, the Resurrection.

For many people, Lent is a season of fasting, whether that is fasting from a particular food or activity, the purpose of fasting is to spend that time with God, not what we are 'giving up.' If you choose to fast, then you need to fast *from* something that you will miss!! So, is that a particular TV program? A specific food? A meal during the week? Whatever you choose, it needs to be something you will *miss enough* that you are reminded, "Oh, I am choosing to spend this time with God." For others, Lent is a season in which to begin something new: volunteering at the church or with a community group; devoting a specific time of day to prayer; giving to a particular benevolence. We can think of many things to add to our lives that will draw our attention to God!

It is traditional to read Matthew 6:1-5, 16-20. as a part of the Ash Wednesday service. In this lesson, Jesus talks about giving, praying, and fasting. These three spiritual disciplines are at the heart of our practices during Lent. I encourage you to pray about these three practices and choose one as your focus this year.

On Ash Wednesday, I will have morning prayer at 7 AM, prayer at noon, and vespers at 7 PM. Each of these services will last only 20-25 minutes. No sermon – just a time of prayer together. While I will not be doing imposition of ashes, ashes will be available for families or individuals to use. We will post a virtual Ash Wednesday service on both our Facebook and website. This service is being prepared by pastors from around the District. Take time on Ash Wednesday to join in a time of prayer and worship, whether here at the church or in your home.

On Wednesdays during Lent, I will hold prayer services at 7 AM and 7 PM. You are welcome to join me in the Sanctuary at either time. Again, these are not lengthy services, but anyone present is allowed to remain in prayer as long as they choose.

How will you use this special season as a time to renew your relationship with God?

Ash Wednesday  
— Lent Begins

A video service has been prepared by the District and will be posted.

Pastor Evie will hold in-person services of  
prayer at 7 AM, Noon, and 7 PM

Containers of ashes are available, one per family.

Imposition of ashes as a part of a worship service has been discouraged  
due to social distancing.

But, family members can offer these to one another.

Lenten Devotionals are available.

During Lent, Pastor Evie plans to hold morning and evening  
prayer services on Wednesdays.

Manna on Main Street

Manna will be held on Saturday, February 13<sup>th</sup> from 5:00-6:30. Due to Covid restrictions this will be a drive thru pick up. The Manna meal will be hosted by Gary & Sandy Polchito. They will be serving rigatoni, a vegetable, a side salad, a roll and cake for dessert. Would anyone consider baking a cake to help them out? We are also asking for King's Hawaiian Sweet Rolls (10 packages). If you can help with either, please call the church office.

(Looking for a March, Manna host or hostess. Please let us know if you are interested.)

Manna on Monday

We are looking for folks to help prepare and serve lunch on February 22. Please let us know if you can volunteer.

Pastor Evie and I have been working on our new website. We think it looks pretty good. It is much easier to work with and is more up to date. You can check out the new website at [www.trinityumofrs.org](http://www.trinityumofrs.org)

### **Summer is coming, and plans for Summer Camp are underway!**

Camp and Retreat Ministries is releasing the schedule for summer camps.

Safety protocols will be in place to keep campers and staff safe.

Registrations will be accepted with the understanding that if we cannot meet due to the pandemic, registrations monies will be returned. Let's pray that this camping season can happen! As we make preparations for this summer we are full of anticipation and hope! We also recognize the challenges of planning for anything during COVID. We continue to be in conversation with experts who give guidance on providing a meaningful camp experience in the midst of a health pandemic. We are planning for significant social gathering and group safety policies and practices to be in place this summer, so that we can honor and care for our beloved community each week while still being together and experiencing the joy of camp! Specific guidelines and practices to help you envision what camp will look like will be coming in the near future. **For more information, contact the Church Office. We have copies of the "Save the Dates" flyers.**
